

Dear CSG Families,

We welcome you to the adventure!

On the following page, you will find an excerpt of "Support Your Semester at CSG". This booklet has been prepared as a guide to your daughter as she engages in the fundraising process.

Your daughter is going out into your community to share her passion for Coastal Studies for Girls. By letting community members know how this experience supports her educational and career aspirations, she will be in the best position to ask for their financial support.

As you already know, your child is an exceptional young woman. We are so grateful for your trust in us as we join you in giving her the hope, confidence and courage to move forward. Please contact us at any time if we can be of help to you.

To receive the full "Support Your Semester at CSG" booklet, please detach, sign and return the form below.

Many thanks,

The CSG Staff
